REBOOT

3-STEP HYBRID BOOSTER

LemonBottle REBOOT
Completely New Skin Reboot Program

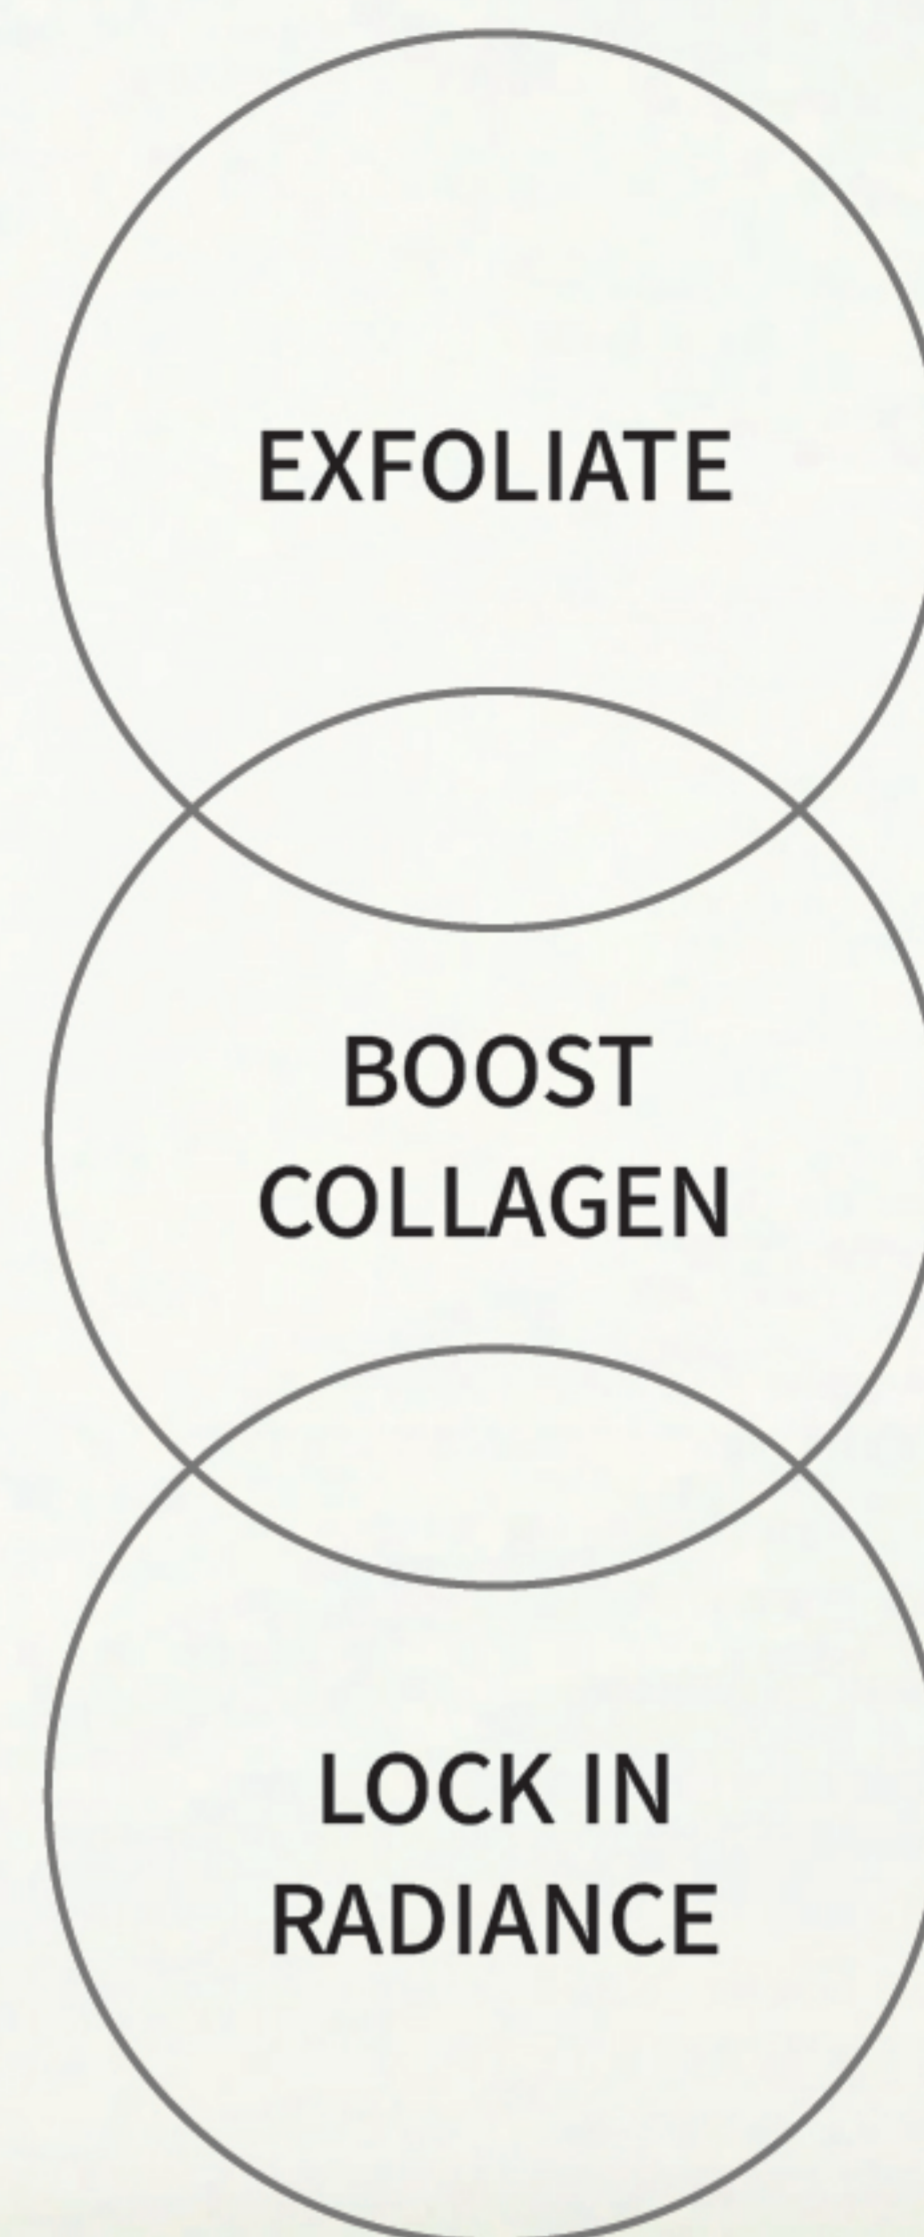

STEP 1

STEP 2

STEP 3

LemonBottle REBOOT is a

Hybrid Booster

Each step is layered with precisely tuned pH and molecular weight, amplifying results as the layers build up.

Reset and perfectly reconstruct your skin

LEMONBOTTLE

WHY HYBRID BOOSTER?

Because your skin deserves more than
just peeling or hydration.

REBOOT is a new-generation treatment that
Gently exfoliates without irritation
Activates collagen with optimized pH balance
Delivers multi-peptides, amino acids, and vitamins
to deeply nourish the skin.

LEMONBOTTLE

REBOOT

Suitable For

1 POST-PROCEDURE SKIN

Thin, sensitive skin from frequent fillers or lasers

2 TIRED, UNBALANCED SKIN

Dull and dry from stress, travel, and poor sleep

3 SENSITIVE SKIN NEEDING REAL RESULT

Avoids irritation, seeks glow and firmness safely

LEMONBOTTLE

REBOOT

3-STEP USAGE GUIDE

STEP 1

AMPOULE 1

SKIN CLEAN

Erase the past, reset your skin,
and active fibroblast

STEP 2

AMPOULE 2

SKIN REBUILD

Strengthen the
skin's framework

STEP 3

AMPOULE 3

SKIN UPGRADE

Strengthen and
lock in the result

HOW TO 3-STEP REBOOT

STEP 1

After cleansing,
apply Ampoule 1 evenly
to the entire face.
Leave on for 5-10 minutes.

Rinse off with
lukewarm water or
gently wipe off
with a cleansing pad

STEP 2

After Step 1, apply
Ampoule 2 evenly
to the face

Let it absorb naturally
- no need to rinse off

STEP 3

Apply Ampoule 3 directly
on top of Ampoule 2
without removing the
previous layer

Use microneedling or
nappage for
deeper absorption and finish
with Master Crean to
lock in benefits

LEMONBOTTLE

REBOOT

3-STEP INGREDIENTS

STEP 1 - AMPOULE 1

SKIN CLEAN

Erase the past, reset your skin, and activate fibroblasts

Papain

Natural enzyme exfoliant, safe for sensitive skin

Sodium Cocoyl Apple Amino Acids

Plant-derived gentle cleanser, protects the skin barrier

Capryloyl Salicylic Acid

Low-irritant lipid-soluble exfoliant, clears clogged pores

STEP 2 - AMPOULE 2

SKIN REBUILD

Strengthen the skin's framework

MSM + Asiaticoside

Activates fibroblasts and promotes simultaneous synthesis of collagen types I and III

Lactobionic Acid

Powerful antioxidant, inhibits collagen degradation

STEP 3 - AMPOULE 3

SKIN UPGRADE

Strengthen and lock in the result

Multi-Peptide Complex

Delivers skin-reviving peptides that enhance elasticity and support collagen renewal for firmer, younger-looking skin.

Sodium DNA

A key regenerative ingredient that boosts dermal density, promotes cell repair, and helps improve overall skin structure.

Glutathione

A master antioxidant that protects skin from oxidative stress, brightens dull tone, and supports clear, radiant complexion.

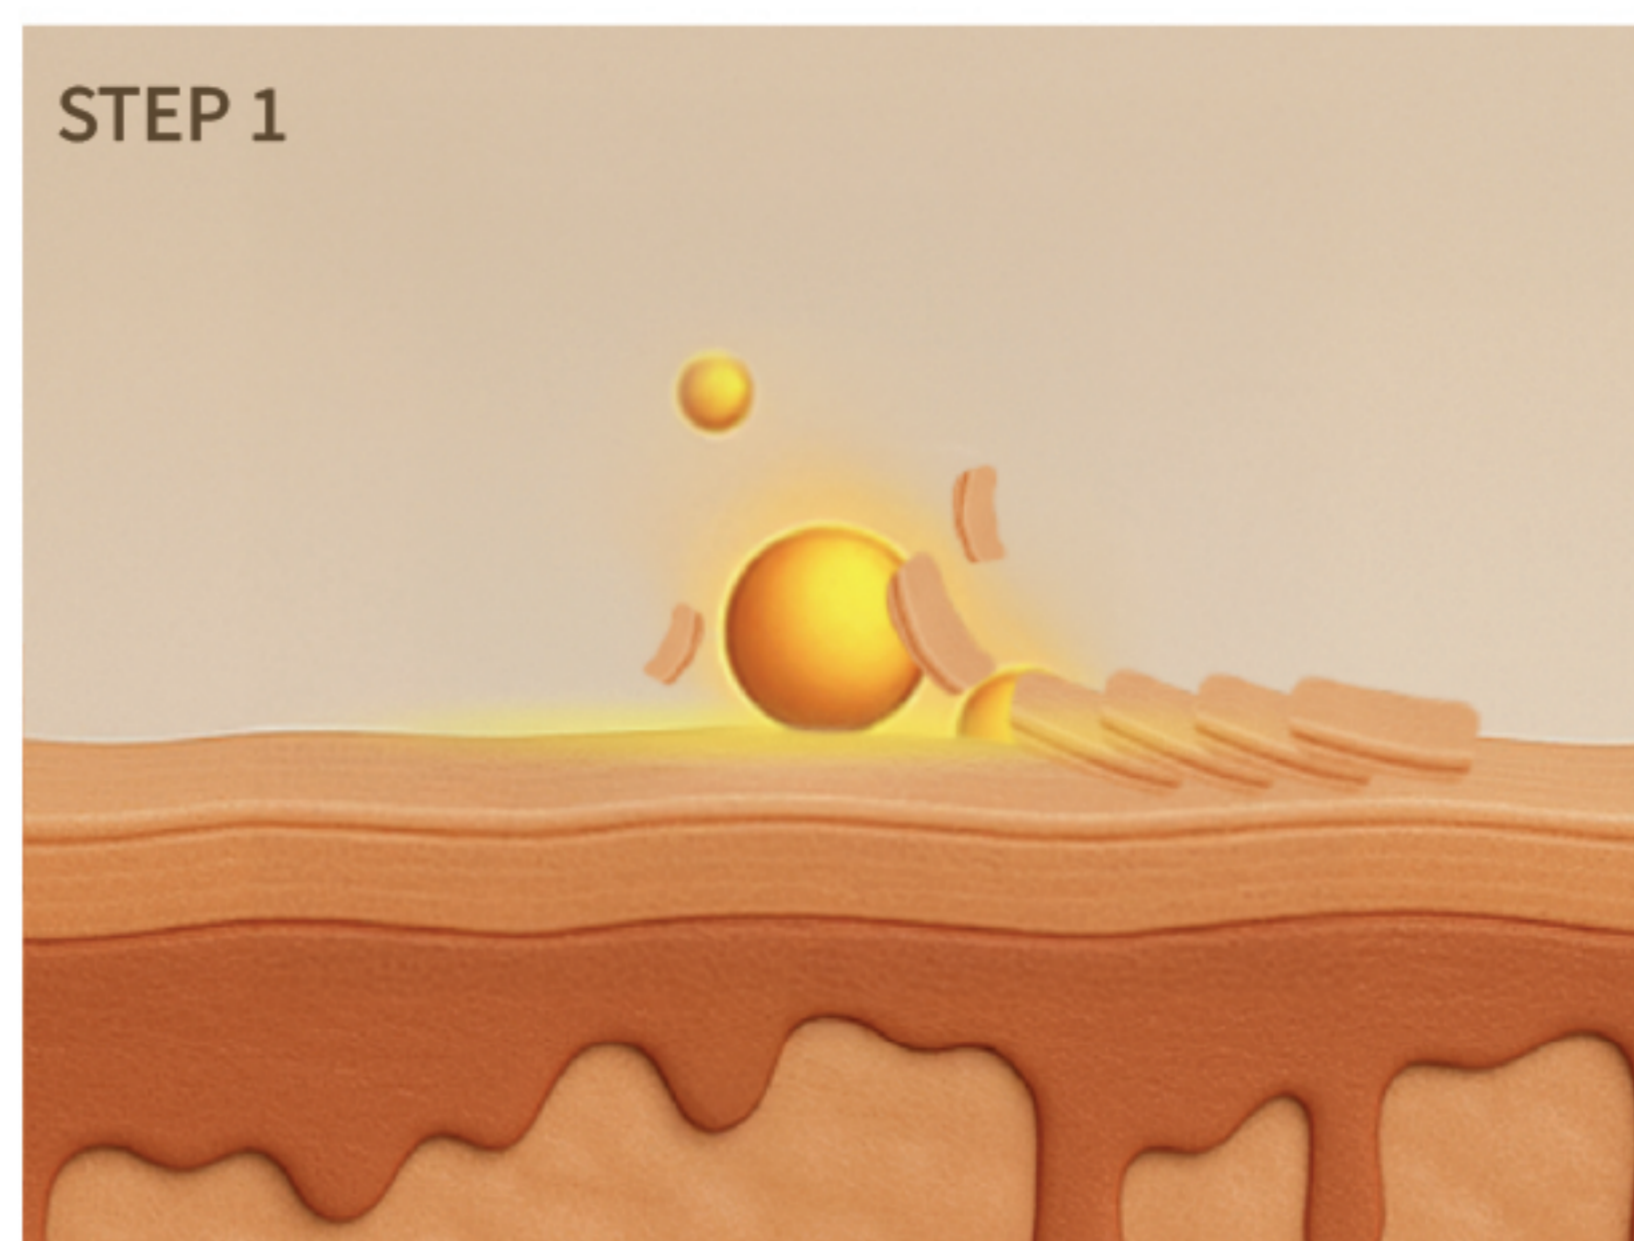

It's not just THREE BOTTLES
TRIPLE-LAYERED Science
REBOOT

REBOOT PROFESSIONAL PROTOCOL

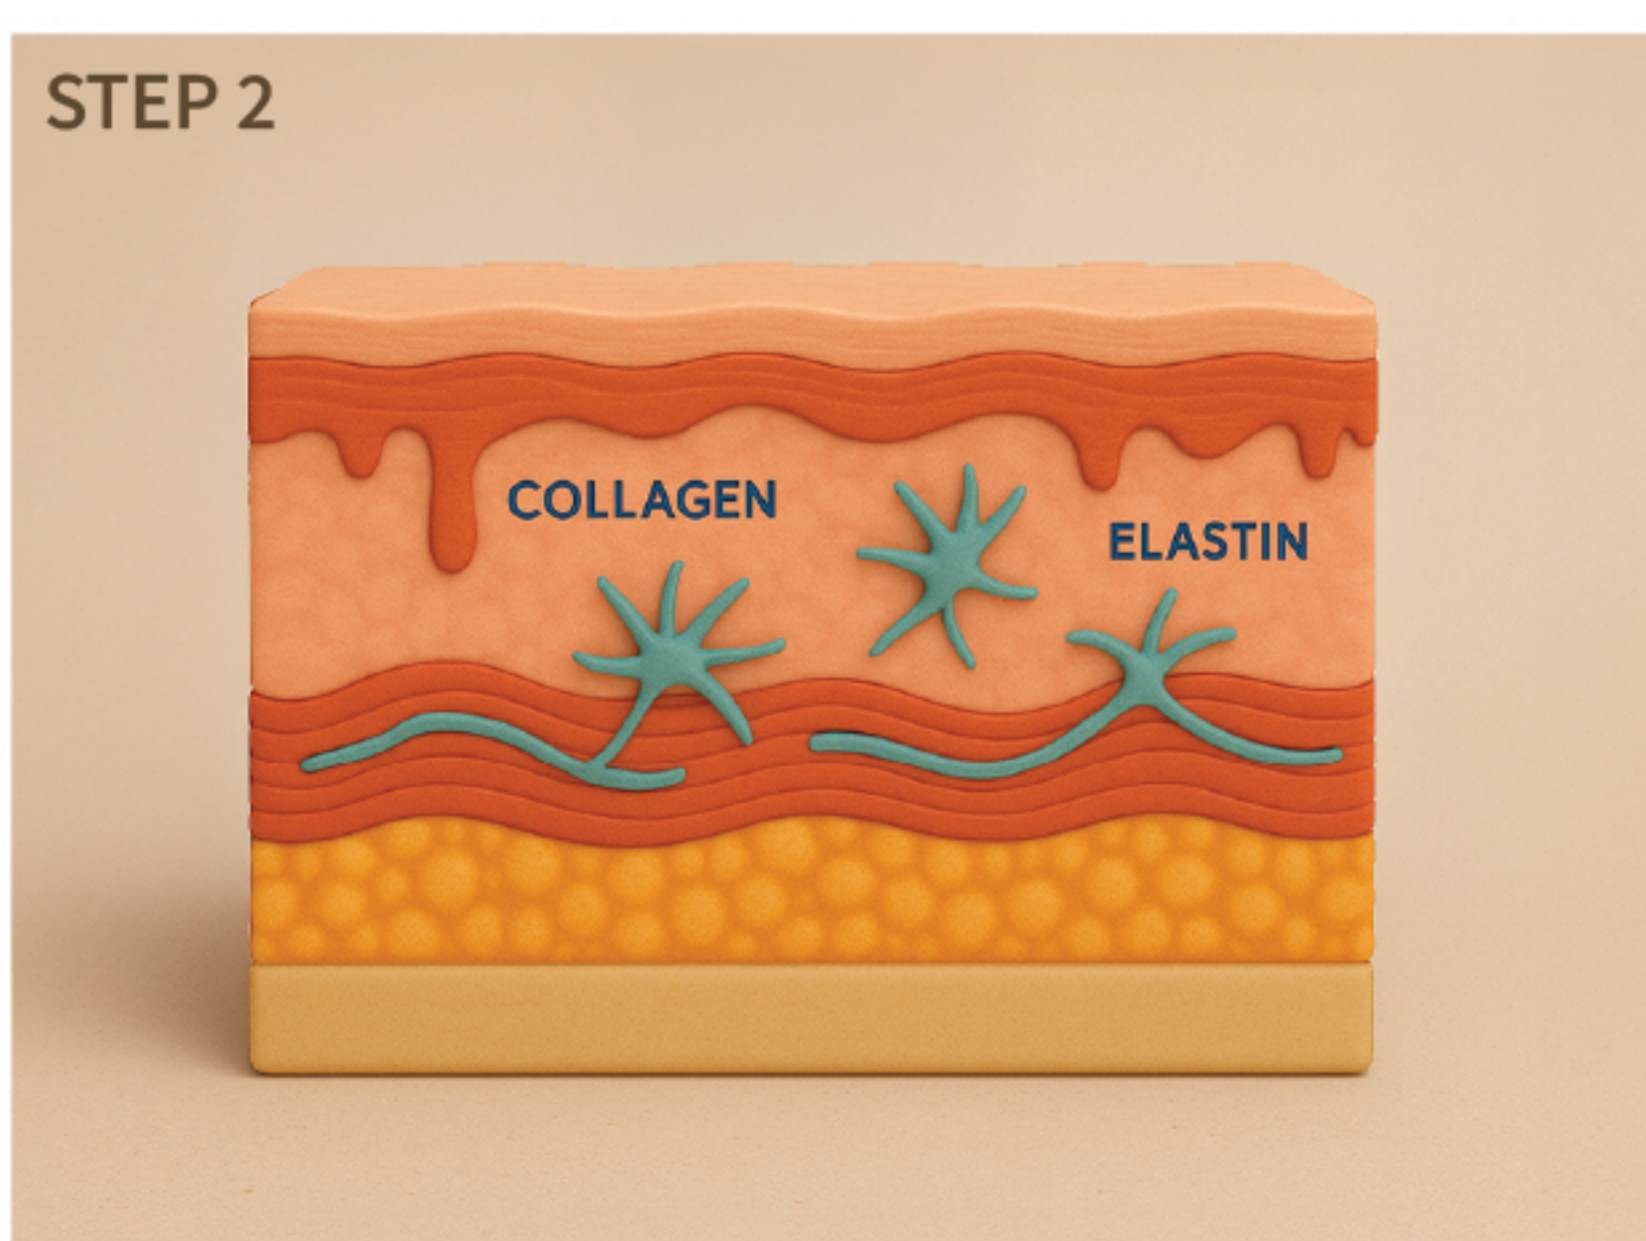

Stressed and unbalanced skin
Damaged barrier, dull tone, poor elasticity

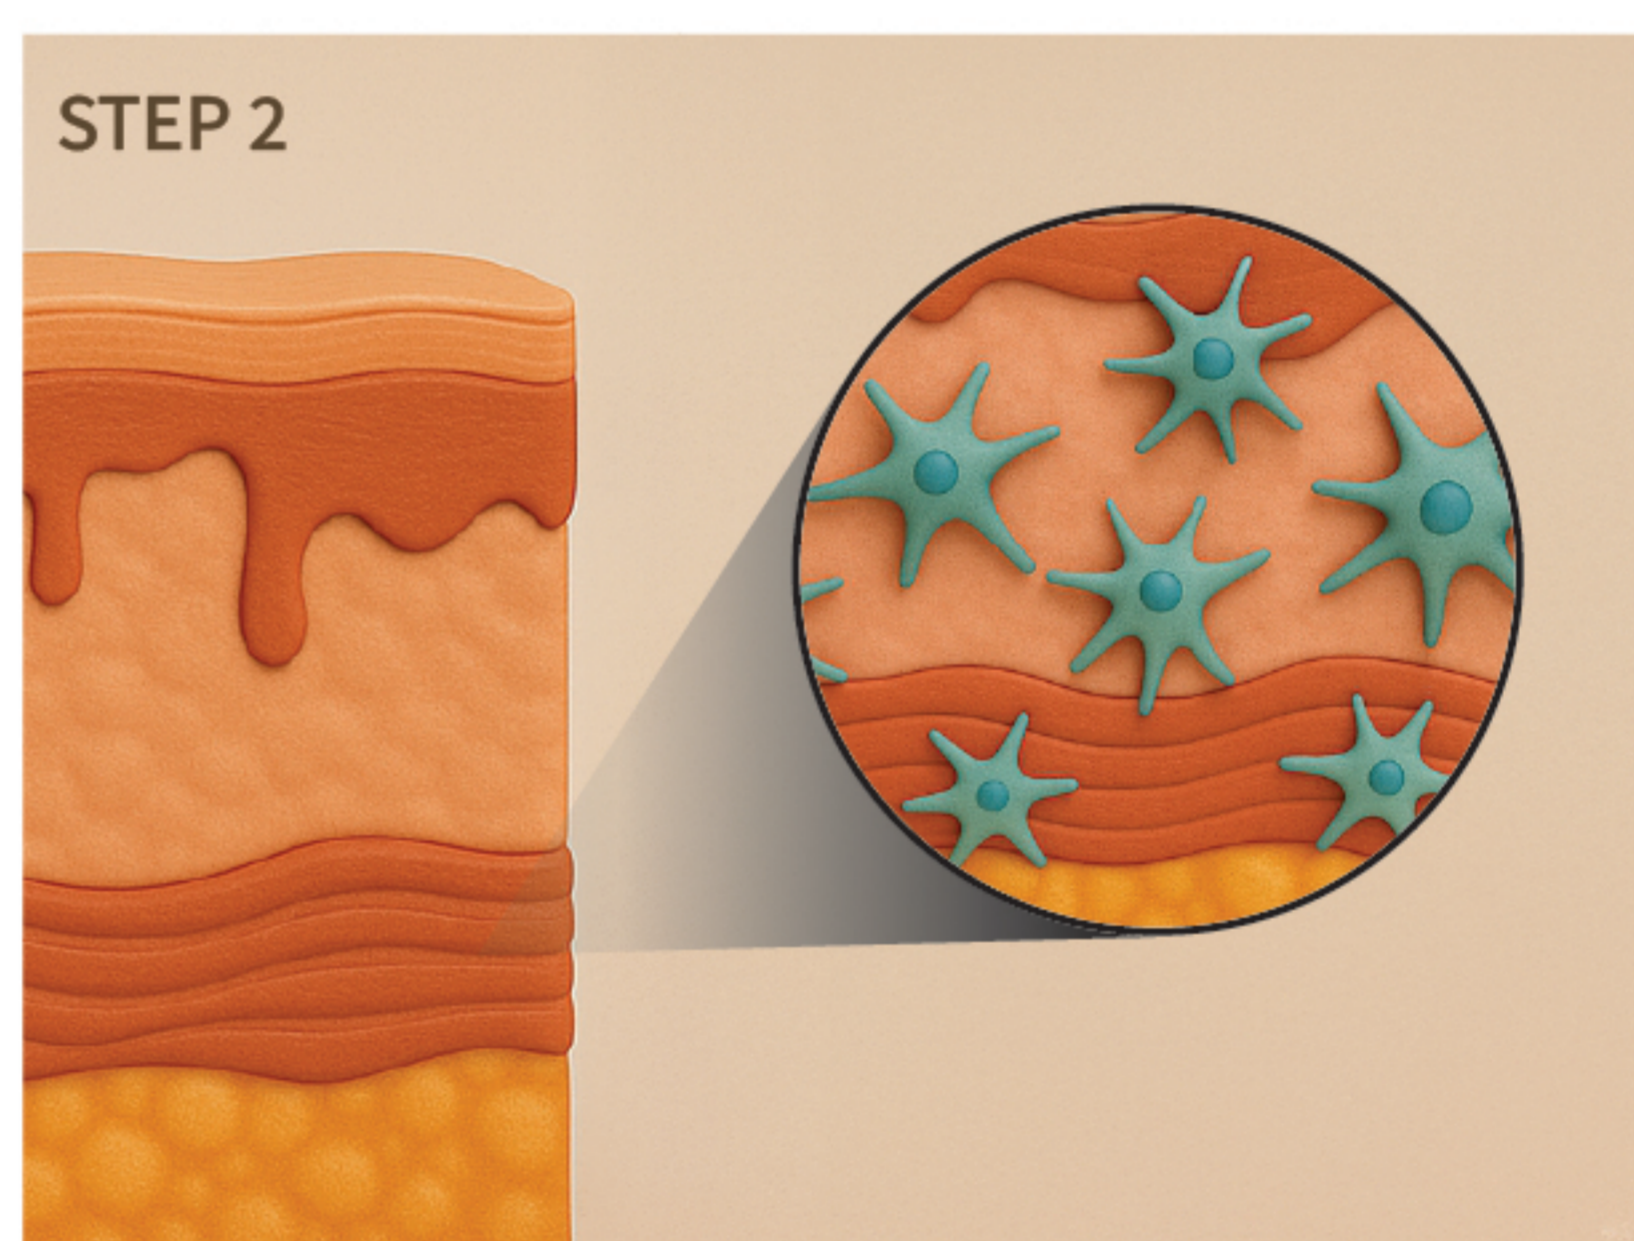

STEP 1

Enzymatic surface reset
Gently breaks down protein buildup and dead skin
Prepares skin for deeper regeneration

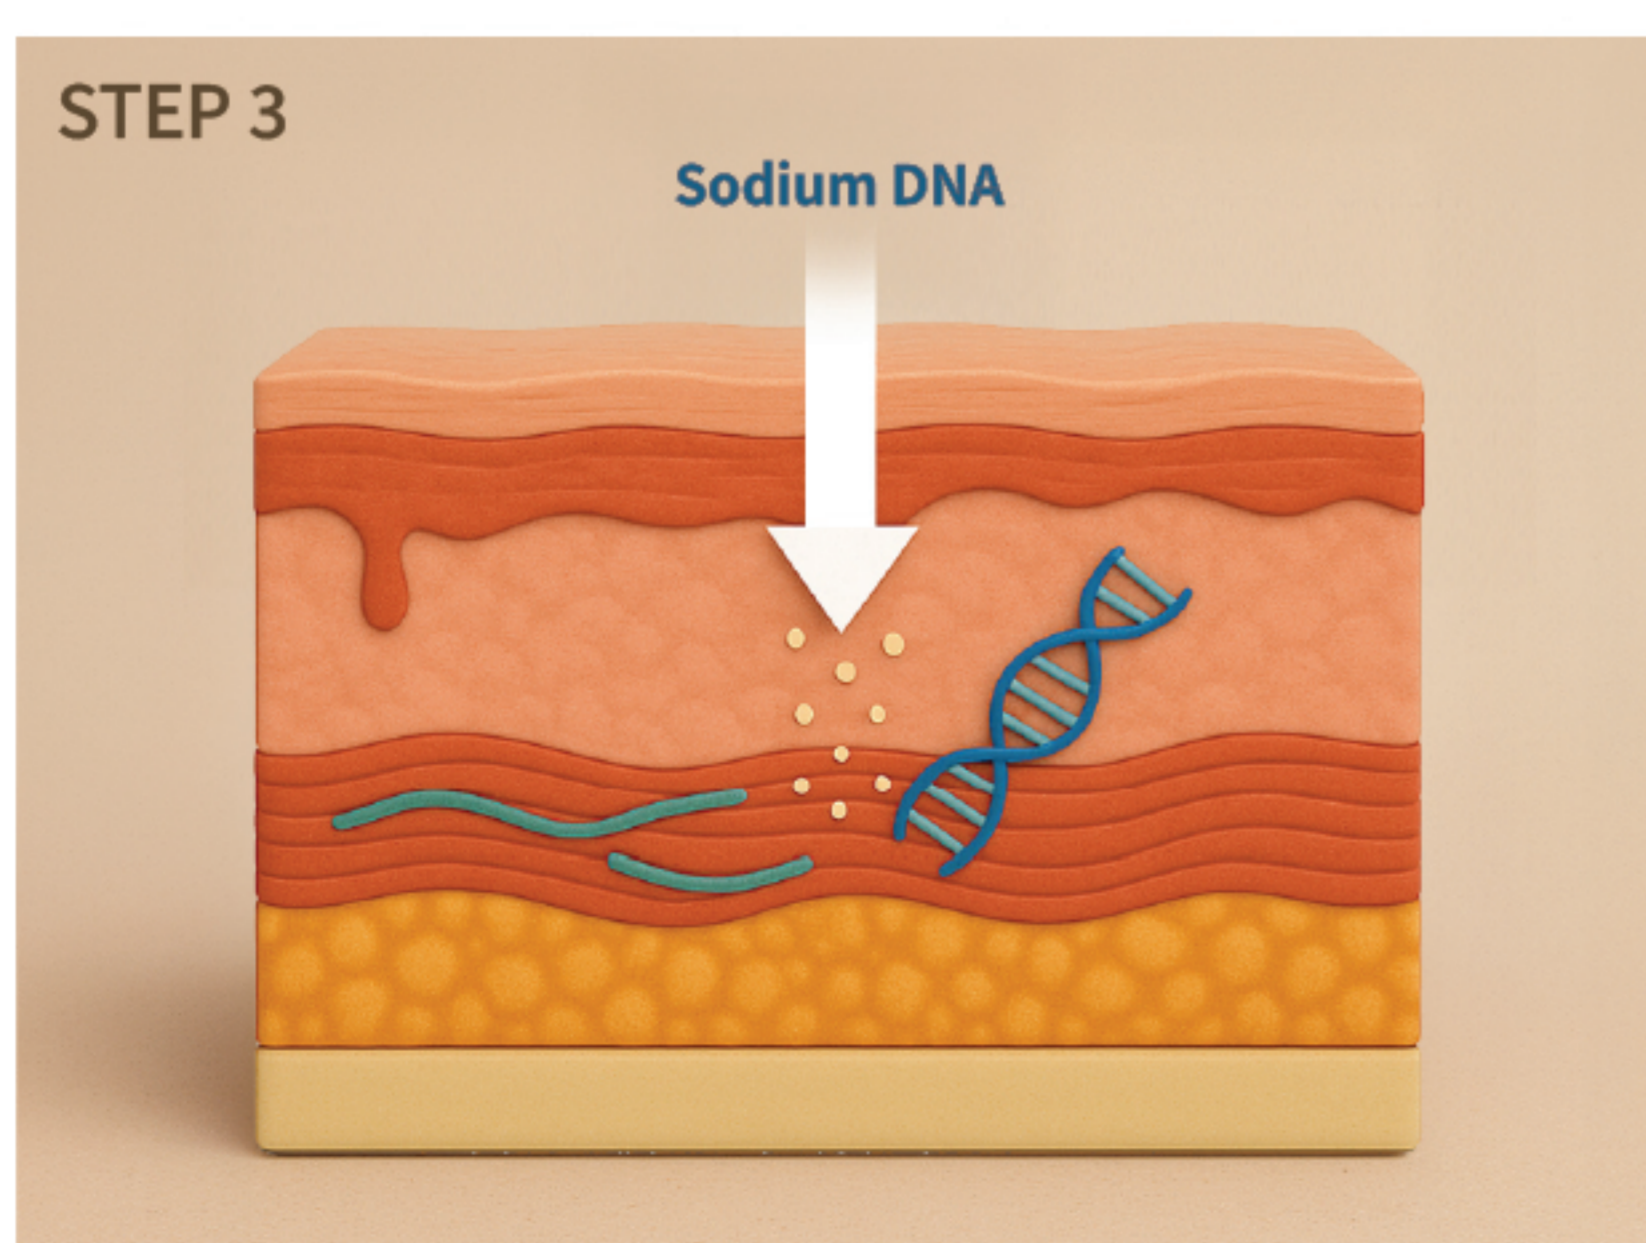

STEP 2

Restore skin structure
Stimulates natural production of collagen and elastin
Reinforces skin matrix for firmness and bounce

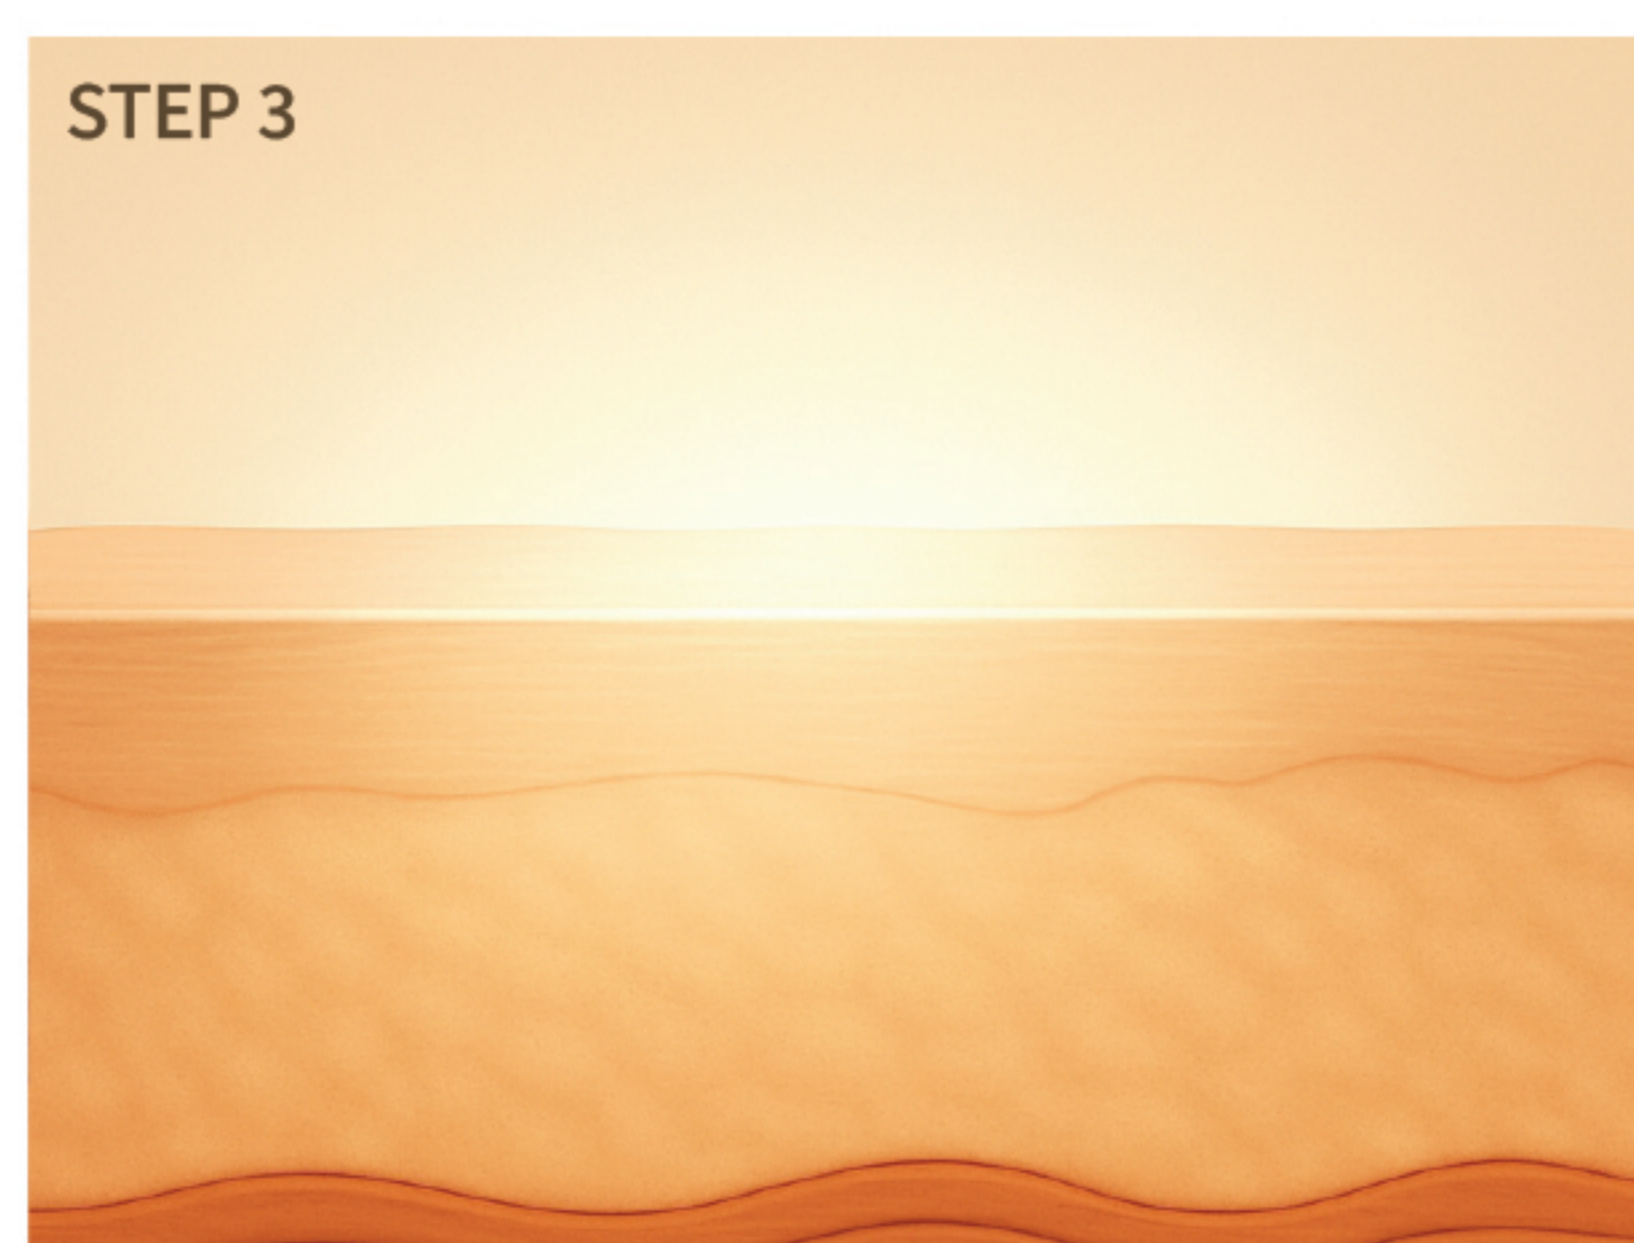

STEP 2

Fibroblast activation
Boosts cellular activity for skin regeneration
Core trigger for structural skin recovery

STEP 3

Sodium DNA delivery
Regenerates dermal tissue and improves skin density
Enhances recovery without irritation

STEP 3

Brightening & antioxidant finish
Detoxifies, evens tone, and amplifies skin glow
Locks in revitalized skin condition

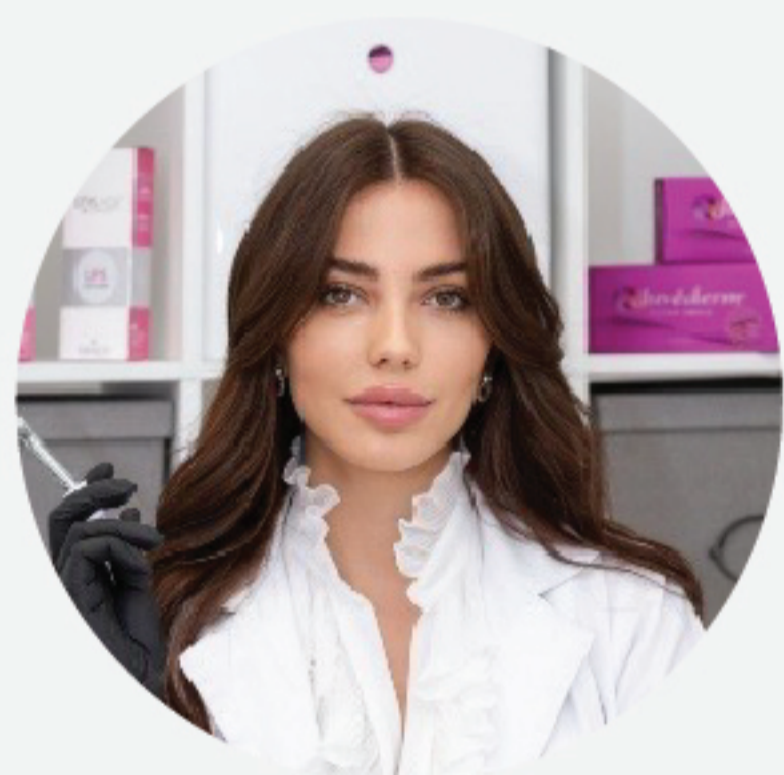

REBOOT

Clinical Feedback from Global Aesthetic Leaders

Dr. Vahe Karimyan
Dr Vahe Clinic / UK

“By engaging both superficial and dermal mechanisms, REBOOT offers measurable improvement in tone, texture and elasticity without compromising the skin barrier. It’s a professional-grade reset designed for predictable, repeatable outcomes.”

Dr. Mihaela
Dr. Mihaela Luxury and Aesthetics / UK

"REBOOT is more than just a product-it's a turnkey premium facial system. And that's exactly what clinics like ours needed. The 3-step process delivers the kind of polish and firmness that usually takes a multi-session course to achieve."

Dr. Tasha Roberts Jnofinn
ActiVate Drip Spa / USA

"LEMON BOTTLE REBOOT engages the dermis at every level - layer by layer - with strategically sequenced actives that promote biostimulation and collagen synthesis — supporting true skin regeneration skin regeneration from the inside out."

REBOOT

Clinical Feedback from Global Aesthetic Leaders

Dawn Janine Harrison

DJH Nails & Beauty Academy / UK

"REBOOT doesn't disrupt—it works in sync with your skin's natural rhythm. From the first use, skin feels firmer, smoother, and visibly restored, as if it's rebuilding itself from within."

Dr. Rajan

Medisen Aesthetics / UK

REBOOT instantly revitalises the skin with a light yet nourishing texture, leaving it visibly smoother and brighter after treatment. It fits seamlessly into our treatment protocols, delivering a noticeable boost in hydration, glow, and clarity.

Dr. Yasmeena Begum

YB SKIN & AESTHETICS / UK

"I didn't even realize my skin needed this. But once I used it, it was obvious. This is what skin treatment should've always been."

Dr. Verdah Sajjad

Rene Aesthetic Spa / Pakistan

"At first, I thought it was just another new launch. But Reboot? It goes beyond expectations a bold move only Lemon Bottle could pull off."
